

TOEFL iBT Listening Practices & Samples

Questions of listening intermediate practices 3 & 4

Instruction:

Listen to the related file on youtube or download the audio file from test-toefl.com website. Then try to answer to the questions. Don't look at the questions before or while you are listening to the files. After listening to each file separately try to answer related questions. If there is any question that you cannot answer easily and completely go back to the file and check what you missed.
